A few follow-up items from the TLEF briefing this morning:

- 1) Jim's talking points for the Tribal Superfund Working Group are attached. Following discussion at the meeting, the draft language re the Pre-CERCLA Screening guidance has been maintained that "EPA will be inviting tribes to review the draft..." We will set up a meeting in September to more broadly discuss consultation approaches.
- 2) The hot tribal sites sheet has been updated to reflect late info from the regions. Still have a placeholder for the tribal treaty rights – will provide that separately when it is available.
- 3) Updated notebooks have been given to Jim and Dana's admins which include the latest hot sites sheet (attached), the TSFWG talking points, updated TLEF registration list, etc. Doug, we will bring an updated package of insertions for you. A copy of the OSRTI briefing booklet will also be provided to Mary Cooke/FFRRO.
- 4) As Jim suggested, we will aim to get together Tuesday evening (~7 – depending on Jim's travel) – maybe in the "Prairie Kitchen" restaurant in the hotel where the TSFWG "mix and mingle" will happen on Wed.
- 5) Christine and Anne travel to the meeting on Monday morning. In case somebody needs to contact us,

Anne cell = Personal Phone/Ex. 6

See you in Minneapolis. Thank you for making time in your schedules to attend the TLEF.

Please let us know if you need anything else!! Anne and Christine
